Hospitality volunteers are responsible for making event participants memorable
- Guests, entertainers, sponsors, vendors, etc., should feel that we respect their needs
 - Provide them with the resources and services to make their time here pleasurable and fruitful.

Specialized Duties:

Be timely for your shift, as you are giving another volunteer a well-deserved break.

- Please plan to arrive 5 - 10 minutes early for your shift to allow the person you are relieving time to train you on your duties for your shift.
- Choose the area and activity in which you want to volunteer.
- Find the time period that meets your availability.

Volunteers may be reassigned to different duties and this may involve changes to the time of your assignment. If this occurs, you will be notified and contacted to discuss the changes.
